

## The reusable system on Market Afro-Pfingsten 2024

### 1. Für den Gast

- **The guest must pay a deposit of CHF 2.00 for each reusable cup.**
- The guest can return all reusable items at any stand and receive the deposit value of CHF 2.00 back for whole cups that have not been used for other purposes.

### 2. Für den Standbetreiber

- System**
  - Before the event you will receive an order form us (**Attention to the deadline!**) on which you tell us your initial order and the day of collection. (Thursday, 16.05. or Friday, 17.05.)
  - You will receive an individual customer card when you collect your first order. You must present this card each time you collect an item, which guarantees fast and secure processing.
  - When you collect the reusable items, you will receive a delivery bill with a list of the boxes. Each box has an identification code that is scanned. In addition, an account amount is collected on first collection, which is credited back on the final invoice.
  - After collection, the reusable items are counted and washed in the laundry and assigned to the stand operator using the code.

- Costs**
  - **A flat-rate logistics fee of CHF 80.00 will be charged per stand operator.**
  - A service fee of CHF 6.00 will be charged for each box **collected**.
  - All reusable items in opened boxes must be washed for food hygiene reasons, even if the cups were not in use; for the unopened boxes, only the service fee per box of CHF 6.00 will be charged.
  - Cleaning costs of CHF 0.19 per cup will be charged for the reusable items in the opened boxes.
  - When the boxes are collected, a payment on account is always charged, which is refunded on the final invoice. (The amount on account per box can be seen on the order form)

- Invoice**
  - A deposit of CHF 2.00 was paid to the customer for each reusable item (more than the quantity originally receive). This deposit will be refunded with the final invoice.
  - For each reusable item that was returned in a smaller quantity, the deposit is still in the cash register; this will be charged to you and credited to the corresponding stand operator.
  - After the event, you will receive a detailed invoice based on the delivery and return slips and the payment on account.
  - You will be charged CHF 50.00 for any boxes returned after the event.

### 3. Service

- Depot posters will be provided for the stands, which can be attached to the stands for declaration and communication to visitors.
- If required, empty boxes will be provided **free of charge**; transport trolleys can be hired for a one-off fee of CHF 35.00.
